SUMMARY

A passionate fresher with a strong foundation in HTML, CSS, and JavaScript. With a keen interest in front-end development, I have acquired proficiency in React, enabling me to create engaging and responsive user interfaces. I am adept at version control with Git and have a fundamental understanding of RESTful APIs. Eager to contribute my skills and learnings to a collaborative team environment.

SKILLS

Languages: HTML, CSS, JavaScript, Java

Technologies /Frameworks: React, Bootstrap, REST API, GIT, Material UI , HTTP

PROJECTS
